To
The Board of Directors
West Bengal State Electricity Distribution Company Limited
Kolkata

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of **West Bengal State Electricity Distribution Company Limited** ('the Company') for the quarter & nine months ended December 31, 2023 (hereinafter referred to as "the Statement" and signed by us for the purpose of identification), being submitted by the Company pursuant to the requirement of regulation 52 of the SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015, as amended ("the Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. The Statement Includes the results of following entities:

Name of the Company	Relationship
West Bengal Green Energy Development Corporation Limited	Associate

5. **Basis of Qualified conclusion**

Attention is drawn to:

- a) With reference to note no. 12 of the accompanying results and furthermore as per Sl. No. 5 of the Significant Accounting Policies of the Company related to Indian Accounting Standard ("Ind AS") - 116 on 'LEASES', which shall be applicable on some underlying conditions, majorly its applicability on all the long term leases wherein lease terms are of more than 12 months and if the lease term is for the major part of the economic life of the underlying asset. The Company have entered into long term lease agreements for the installation of Smart Meters at the premises of its Consumers and have also started paying the lease rentals from the current quarter i.e. December'2023. We have observed that the Company has not followed the accounting & disclosure requirements of Ind AS -116 on LEASES.
- b) With reference to note no. 12 of the accompanying results, and furthermore as per Sl. No. 3 & 4 of the Significant Accounting Policies of the Company related to Ind AS - 2 'Inventories' and Ind AS -16 'Property Plant & Equipment' ("PPE"), the cost of Inventories or PPE shall include all the costs incurred in bringing the Inventories or PPE to their present location & condition. We have observed that the freights incurred for the transportation of Ex-Factory Inventories or PPE are directly booked in Other Expenses in place of addition of that to the cost of Inventory or PPE. Due to non-availability of proper and complete records related to transportation charges for specific inventories and PPE in the Other Expenses, we are unable to comment upon the sufficiency and quantification of the records and its consequential impact, if any, on the Consolidated Financial Statements for the period under audit.
- c) No adjustment has been considered on account of impairment loss, if any, during the year, with reference to Ind AS-36 "Impairment of Assets" prescribed under section 133 of the Act. In view of uncertainty in achievement of future projections made by the Company, we are unable to ascertain and comment on the provision required in respect of impairment in carrying value of cash generating units and its consequent impact on the consolidated financial results, accumulated balance of reserve and surplus and also the carrying value of the cash generating units.

- d) Trade Receivables includes amount receivable from Disconnected Non-Government Consumers as on 31.12.2023 Rs. 1848 Crores as per MIS of the Company, on which no provision has been made, which is in contravention to the Ind AS - 109 "Financial Instruments".
- e) With reference to the note no. 7 & 10 of the accompanying results, Regulatory Deferral Account Debit Balance includes the costs arising on account of the variation in the price of Fuel & Power Purchases. Electricity (Amendment) Rules, 2022 was notified on 29th December' 2022 which have provided the methodology for recovery of such costs through Fuel & Power Purchase Adjustment Surcharge ('FPPAS') from the consumers. Further, in terms of the said Rules, the Company's right for recovery of costs on account of FPPAS shall be permanently forfeited if the Company fails to compute & charge FPPAS within the specified timeline to its consumers. As per the information and explanation by the management, the Company has not yet initiated the process of recovery of FPPAS from its consumers. Furthermore, the Company has considered the recoverable amount of FPPAS in its claim for income recoverable through regulatory mechanism in the books of account, which is in contravention to the Ind AS -114 "Regulatory Deferral Accounts". Due to non-availability of proper and complete records related to FPPAS calculations as per the amended rules, we are unable to comment upon the sufficiency and quantification of the records and its consequential impact, if any, on the Consolidated Financial Statements for the period under audit.

6. Qualified Conclusion:

Based on our review concluded as above, except for the effects/possible effects of our observation stated in para 5 a) to e) above (including non-quantification for the reasons stated therein), nothing has come to our attention that causes us to believe that the accompanying Statement prepared in all material respects in accordance with the applicable Indian Accounting Standards ('Ind AS') prescribed u/s. 133 of the Companies Act, 2013 read with relevant rules issued there under or by the Institute of Chartered Accountants of India and other recognized accounting practices & policies generally accepted in India has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Independent Auditor's Limited Review Report on the Unaudited Standalone Financial Results for the quarter & nine months ended on December 31, 2023 of the Company Pursuant to the Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

To
The Board of Directors
West Bengal State Electricity Distribution Company Limited
Kolkata

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of **West Bengal State Electricity Distribution Company Limited** ("the Company") for the quarter & nine months ended December 31, 2023 (hereinafter referred to as "the Statement" and signed by us for the purpose of identification), being submitted by the Company pursuant to the requirement of regulation 52 of the SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015, as amended ("the Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. Basis of Qualified conclusion

Attention is drawn to:

- a) With reference to note no. 12 of the accompanying results and furthermore as per Sl. No. 5 of the Significant Accounting Policies of the Company related to Indian Accounting Standard ("Ind AS") - 116 on 'LEASES', which shall be applicable on some underlying conditions, majorly its applicability on all the long term leases wherein lease terms are of more than 12 months and if the lease term is for the major part of the economic life of the underlying asset. The Company have entered into long term lease agreements for the installation of Smart Meters at the premises of its Consumers and have also started paying the lease rentals from the current quarter i.e. December'2023. We have observed that the Company has not followed the accounting & disclosure requirements of Ind AS - 116 on LEASES.
- b) With reference to note no. 12 of the accompanying results, and furthermore as per Sl. No. 3 & 4 of the Significant Accounting Policies of the Company related to Ind AS - 2 'Inventories' and Ind AS -16 'Property Plant & Equipment' ("PPE"), the cost of Inventories or PPE shall include all the costs incurred in bringing the Inventories or PPE to their present location & condition. We have observed that the freights incurred for the transportation of Ex-Factory Inventories or PPE are directly booked in Other Expenses in place of addition of that to the cost of Inventory or PPE. Due to non-availability of proper and complete records related to transportation charges for specific inventories and PPE in the Other Expenses, we are unable to comment upon the sufficiency and quantification of the records and its consequential impact, if any, on the Standalone Financial Statements for the period under audit.
- c) No adjustment has been considered on account of impairment loss, if any, during the year, with reference to Ind AS-36 "Impairment of Assets" prescribed under section 133 of the Act. In view of uncertainty in achievement of future projections made by the Company, we are unable to ascertain and comment on the provision required in respect of impairment in carrying value of cash generating units and its consequent impact on the standalone financial results, accumulated balance of reserve and surplus and also the carrying value of the cash generating units.

- d) Trade Receivables includes amount receivable from Disconnected Non-Government Consumers as on 31.12.2023 Rs. 1848 Crores as per MIS of the Company, on which no provision has been made, which is in contravention to the Ind AS - 109 "Financial Instruments".
- e) With reference to the note no. 7 & 10 of the accompanying results, Regulatory Deferral Account Debit Balance includes the costs arising on account of the variation in the price of Fuel & Power Purchases. Electricity (Amendment) Rules, 2022 was notified on 29th December' 2022 which have provided the methodology for recovery of such costs through Fuel & Power Purchase Adjustment Surcharge ('FPPAS') from the consumers. Further, in terms of the said Rules, the Company's right for recovery of costs on account of FPPAS shall be permanently forfeited if the Company fails to compute & charge FPPAS within the specified timeline to its consumers. As per the information and explanation by the management, the Company has not yet initiated the process of recovery of FPPAS from its consumers. Furthermore, the Company has considered the recoverable amount of FPPAS in its claim for income recoverable through regulatory mechanism in the books of account, which is in contravention to the Ind AS -114 "Regulatory Deferral Accounts". Due to non-availability of proper and complete records related to FPPAS calculations as per the amended rules, we are unable to comment upon the sufficiency and quantification of the records and its consequential impact, if any, on the Standalone Financial Statements for the period under audit.

5. Qualified Conclusion:
